

DO YOU HAVE A STORY TO TELL ABOUT WORKING IN CONSTRUCTION?

Either about a problem that occurred in the past that might have been prevented if you had safety and health training, or a problem that has been solved or an accident averted because you had training? If so, please provide your name, e-mail and phone number, so that we may talk with you and hear your experiences.

Name: _____

Email: _____

Phone: _____

Note to Instructor:

Please include completed forms with course paperwork to be submitted to CPWR
